INTERNATIONAL**

Welcome Message

On behalf of the organising committee, it is our proud privilege to extend a warm welcome to each one of you to the 46th Annual Conference of the Association of Obstetricians and Gynecologists of Delhi (AOGD) – AOGD 2024. It is our distinct honour to host this prestigious gathering from the 22nd - 24th November 2024 at India Habitat Centre, nestled in the heart of vibrant Delhi.

This year, we embrace a theme of profound significance: “Empower Women- Empower the Nation.” This theme is a clarion call to elevate our practice by championing the empowerment of women through collaborative, informed, and compassionate decision-making. It speaks to our collective commitment to not only advance medical science but to also enrich the lives of women everywhere through holistic and patient-centred care. Healthy women make healthy families and healthy families make a strong country.

We are honoured to have a remarkable group of International and National Experts with us. Their knowledge and insights will greatly enhance our discussions. Their presence highlights the global importance of our cause and the widespread commitment to improve women's health and empowerment.

Our conference promises to be a confluence of brilliant minds and compassionate hearts, featuring a stellar lineup of renowned speakers, thought-provoking sessions, and groundbreaking research presentations. It is designed to inspire, educate, and foster a spirit of camaraderie and collaboration among our esteemed attendees.

We invite you to immerse yourself in this exceptional experience, to share your insights, to learn from your peers, and to contribute to the forward march of our noble profession. Together, we will explore new horizons and forge pathways that enhance the well-being and emancipation of women across the globe.

With great anticipation, we look forward to your presence at AOGD 2024. May this conference be a beacon of knowledge, a catalyst for change, and a testament to the power of unity to empower our state & nation.

Regards,

Dr Ashok Kumar
